Acknowledgement

This Ministry has been regularly compiling and disseminating data on health and family welfare through the publication titled "Health & Family Welfare Statistics". Data uploaded on the HMIS portal by the States and Union territories, key indicators from different Surveys viz. National Family Health Survey, District Level Household Surveys, Coverage Evaluation Survey by UNICEF, Annual Health Survey, Population Census, Sample Registration System (SRS) etc. have been incorporated in this publication to facilitate health services to target population and assessing impact of various programmes. The previous issue of this publication containing SRS data 2012 and performance statistics upto March 2013 was issued in July, 2014. The present issue contains SRS data for the year 2013 and performance statistics upto March 2015. We have endeavored to include in this publication the latest data available, to the extent possible. The support and cooperation received from the States/Union territories in uploading the data on the HMIS portal and facilitating release of latest data have been commendable.

The overall supervision and guidance of Dr. V.K. Srivastava, Chief Director (Statistics) and Mr. Biswajit Das, Director in bringing out this publication have been praiseworthy. I duly acknowledge the valuable contribution of the support team led by Mr. D.P. Awasthi, Programmer and his colleagues Mr. Rakesh Bisht, DEO (Gr.'B') and Mr. O.P. Dahiya, Consultant in compiling data and their critical analysis.

19th October, 2015
