PROFORMAE
FOR
REPORT
ON
RURAL HEALTH STATISTICS
(As on 31st March, 2018)

GENERAL INSTRUCTION FOR FILLING THE PROFORMA

1. Please read all columns carefully while giving the information. The foot-notes under the proformae should also be kept in view while giving the information
2. All columns in each proforma should be filled and no column should be left blank.
3. While furnishing the information, the information supplied earlier should also be taken in view to ensure accuracy and consistency of data supplied.
4. While supplying the information for the current year, it should be ensured that the figures of permanent nature, e.g. 'position at the end of the last year' etc. supplied for the earlier year should be the same unless there is specific reason for the change and the reason be specified clearly as a footnote.
5. Please consider the data of other reporting sources like HMIS, PIP annexures etc, so that there will not be any mismatch in information provided to RHS and other sources for the same data elements.
6. Please provide the data as per the category like Rural and Tribal where ever it is mentioned. Data related to Urban health facilities should not be included in case of Scs, PHCs and CHCs.
7. Infrastructure and Human Resource data related to SDH & DH should be given against the total number of SDH & DH in the State/UT.
